Title: An Old Abandoned house (draft 1)

P1 Last Week, I came across an old gloomy abandoned house far away in the dark forest with my friend. It was raining cats and dogs so we had nowhere to go other than the creepy haunted house. "Do you really think we should go inside?" I asked. "It's a terrible house but it's the only place!", Zoey said. The house looked gloomy with a bunch of tall grass and strange sounds. We felt like a coward not going in the house. The house was as dark as a shadow. "Well, let's

go explore?" I nervously but excitedly said.

heart was beating as loud as a drum. "Are you sure?"

Zoey asked. "Yes," I nodded, giving a weak

smile. The thunder rumbled as loud as speakers.

P2 We slowly walked in the haunted house. There

were broken windows, cracked walls, scattered

papers and nasty insects. "I don't think this is a

good idea; maybe we should go back." I stopped

speaking. Zoey had already went upstairs! before I

could go all the doors got locked. It took me

minute to figure what was going on. tip-toe, tip-toe

I heard loud and scary foot steps coming towards me.

boom - bang!.... I jumped & then I ran for my life
and hid under the rusty couch. "Ahhhh!" I screamed

there were a lot of insects and cob webs
surrounding me. "I can't believe the trouble I've

gotten myself into " I groaned. Now all my brain
kept saying was "look after" or "look out".

Suddenly the house went as quiet as a sleeping
baby. I was frightened, scared and too upset to

speak. I banged and banged on the door, hoping

someone would hear!

23

Finally, Someone came across the door. I was
relieved and happy. Someone opened the door.

I was surprised to see Zoey standing there. I

was as happy as a clown. "Where have you

been, I had been looking for you everywhere" Zoey

said. "You have no idea what kind of adventure

I had been to," I said. "Now let's get out

of this creepy house" I happily said and we ran

back to the road. We both promised to never go to a

house like that again! and to always look before we

leap!
