TOPIC: **Figurative Language**

Read the passage carefully and answer the questions given at the end about figurative language.

An Exciting Day

On Saturday, Hamza went to the park with his cousin. They saw pretty pink flowers and tall trees swaying in the wind. A tiny bird sat on a branch and sang a sweet song.

Suddenly, a ball hit a metal gate. *Bang!* The boys turned around. A little dog was running across the grass. Its feet made a *tap-tap* sound on the path. Hamza laughed like a hyena when the dog slipped into a pile of leaves.

The wind blew softly, and the leaves danced in the air. The boys sat under a shady tree and watched the clouds move across the sky.

On their way home, Hamza sang:

The sun is bright,

The sky is blue,

The birds take flight,

And flowers bloom anew.
