Topic: Phrasal Verbs

A phrasal verb is a very simple idea.

It's just: Verb + Small Word = New Meaning

1. **The Formula**

Verb (like look, get, put, turn) + **Preposition / Adverb** (like up, on, off, after, out, down) = **A completely new meaning**

You cannot guess the meaning by looking at the two words separately.

Here is a list of common phrasal verbs:

1. Everyday Life

1. *wake up* - stop sleeping
2. *get up* - get out of bed
3. *put on* - wear clothes
4. *take off* - remove clothes / shoes
